Walk to Beaches

Port Douglas, Australia

Perched high on forested Flagstaff Hill overlooking the town of Port Douglas and the Coral Sea, this luxury Villa is a place of peace and luxury. Sweeping views of rainforest, beach and mountains, the sound of falling water and breaking waves, birdsong and tropical breezes are this villas' essence. This holiday beach house is a place for families and friends to be together, or for couples to retreat from the world. Revel in the myriad activities that Port Douglas has to offer or simply relax by the villa's pool and do as little as you wish.

The villa is just five minutes' walk from Port Douglas' beautiful Four Mile Beach, and five minutes from the centre of town. It is surrounded by some of the most magnificent natural environments on the planet. Among the best diving and snorkeling sites on the Great Barrier Reef are found directly off Port Douglas, and the lovely fringing reef of the Low Isles lies just offshore. World Heritage rainforest surrounds the Port Douglas area. The area affords opportunities for all kinds of active relaxation from game fishing to golf. High quality shopping and dining in Port Douglas are within easy walking distance, and the town's Sunday markets are some of the best in the region.

The villa has seven bedrooms, 3 king sized and 4 queens, that accommodate up to 14 people. The rooms are individually designed to reflect the classic Asian feel, using beautiful Designers Guild fabrics and Grange wrought iron and cane furniture imported from France. Timber louvers on all the bedroom windows protect against the tropical sun, and each room has a ceiling fan as well as its own air conditioning unit.

There is a hotel-style phone system with separate lines in every room and additional plugs for internet access. All bedrooms have ensuite bathrooms with bath or shower. L'Occitane products are supplied in the bathrooms, and luxurious Plane Tree Farm Belgian waffle robes and slippers are provided in the bedrooms.

The lounge and the dining area are the heart of the house. Dusky red amoora wood paneling and dark polished timber floors add to the pleasantly cool and shaded atmosphere. Handmade Customweave rugs add luxury. High ceilings give sense of space, and folding glass doors lead onto a huge deck with expansive views over ocean, beach and rainforest.

Timber louvers high in the eaves and on all windows open to allow in tropical breezes. Comfortable imported Italian leather sofas in chocolate brown are perfect for languid lounging, and wide screen TV, a DVD player, Austar satellite channels and Pioneer stereo provide indoor entertainment.

In the kitchen, a state-of-the art gas/electric cooker, dishwasher and full dinner service for 14 make cooking for friends easy. A gas barbeque is also provided on the main deck. On the entrance level, there are additional kitchen facilities and a dining area, which can be closed off with sliding doors from the large lobby space. Full laundry facilities are also available.

Built with terracing on several levels, the large outdoor terrace area is made for lounging. Cool off in the skyline edge pool, heated in winter, and gaze out over the Coral Sea, or relax on the day bed, listening to the sound of the water garden as it spills over terrace levels. Imported German cane weave outdoor furniture and luxurious soft furnishings complete the classic cut comfortable effect. The tranquil, private gardens, designed by Paul Bangay, are a tropical green haven of gardenia hedges, scented ginger, water lilies and cascading white bougainvillea.

In the central poolside pavilion a second gas barbeque and dining area are provided and there is an additional kitchen area and bar fridge by the pool. Gas flares on the main deck and poolside add to the exotic atmosphere at night. For those who wish to avoid the steps from street level, an inclinotor, accessed from the garage, allows stair-free access to the pool and entrance level.

Guests can have as much or as little service as they request. Relax and do nothing and have it all done for you, or enjoy the total privacy of having the house to yourself. Fridge and pantry can be fully stocked by arrangement - with Simon Johnson gourmet products in the dry pantry - and a chef service is available as often as you like. Provisions for continental breakfasts are included as a minimum. A daily maid service in the kitchen, bedrooms and bathroom is standard, but this can be expanded to include laundering and more.
