

Modern Oceanfront Cabrera Villa

7 Bedroom/8.5 Bathrooms

Waterfront, Pool

Cabrera, Dominican Republic

This Modern Villa is an exceptional Caribbean destination, the combination of a brilliantly designed contemporary villa and a particularly moving oceanfront landscape.

This luxury estate is situated on 3 acres of pristine property facing the Atlantic Ocean surrounded by almond trees, coco palms and many flowering vines and shrubs native to the Dominican Republic.

At this Caribbean luxury rental villa all the details are carefully considered to cater to distinct travelers wanting to escape the average and to experience the original. This spacious and modern villa is fully staffed and equipped for an exceptional private vacation. The Guest Suites consist of 5 King Sized Beds, 1 Queen Suite, and one with two Doubles, all with en-suite baths and all air conditioned. Each room also has overhead fans, iPod docs, in room safes, telephone with international calling, terraces, and high end bedding for your absolute best sleep ever.

Featuring: superb accommodations for up to 20 adults/kids, a 156ft/47mt long swimming pool with seating platforms, water volleyball, a truly world class chef preparing outstanding meals everyday, 2 fully stocked bars with bartender, a full time tri-lingual concierge to plan all your activities, villa entertainment including billiards, a huge plasma TV with DVD library, Karaoke and Xbox, indoor/outdoor quality surround sound, wireless Internet throughout the whole villa, private telephone lines and iPod docks in every room, croquet and badminton, a fully equipped mini office, a unique cliff edge hot tub.

This villa will be yours to exclusively enjoy, indulge and live a fantastic Island vacation experience or retreat...you and your guests will never want to leave!
